stay for the Company and Conversation!***

We'd love to see you at our café - a place where people living with Parkinson's or other related movement disorders such as Lewy Body Dementia can gather with their carepartners, family, and friends. Relax and enjoy a cup of coffee, donuts, and other delicious munchies with old friends . . . and meet new ones. Will you join us?

Our café is free and you're welcome to bring munchies to share!
