

# CAREGIVER RESEARCH STUDY

The University of Virginia Department of Neurology invites caregivers to a research study to help us better understand the needs of caregivers across different phases of adulthood.

## Are you eligible?

- ✓ Are you an adult providing care for an older adult family member or friend?
- ✓ Does that person(s) have changes in their thinking and/or memory?

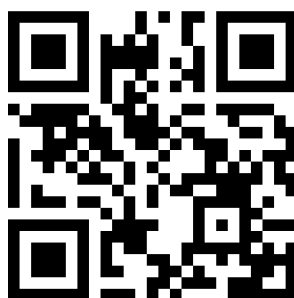

## What does it involve?

- ✓ Answering online questionnaires for about 1 hour (\$85 compensation)
- ✓ Joining an optional 90-minute focus group for some participants (\$95 compensation)
